## NIGHT OWL 5K COURSE

All distance markers are approximate.

## **Night Owl 5K Course**

The Night Owl 5K course starts and finishes on Lakeshore Drive, in front of the main entrance to the Conexus Arts Centre.

Shortly after the race begins starts, the course heads to the right, going from the road onto the path that leads to the pedestrian underpass beneath the Broad Street bridge.

As you pass under the Broad Street bridge, turn right (North), then turn left onto Wascana Drive.

As you travel northward on Wascana Drive, the course moves off Wascana Drive and onto the pathway heading towards Albert Street.

The course continues counter clockwise on the pathway around Wascana Lake.

Not long before the finish line, you'll take the Broad Street pedestrian underpass once again, this time turning right as you exit it, and heading up the pathway to the road in front of the Conexus Arts Centre and the waiting finish line!
